# Care Guide Partners

Care guide Partners is an innovative Palliative Care and Advanced Illness Management company.

## OUR GOAL

To be the premier resource for connecting patients and families with care information, care planning and credentialed care providers.

# OUR MISSION

to provide high quality, patient- centered care and at home support for seriously ill patients – children and adults.

We research, develop and deliver evidence-based solutions that consider the needs of the patient, the patient's family and the patient's health care team.

Care Guide Partners is one source that can benefit a wide range of health care companies and providers.

- Healthcare systems
- Population health managers
- Palliative care providers
- Home Health providers
- Non-Medical home services
- Health insurers
